

Ice Cream Social

It's that time of year again, summer's almost here and the 2008 pool season is about to start.

Join us for an Ice Cream Social on Saturday, May 10th and enjoy a dip in the pool on opening day. There will be refreshments and door prizes. Come socialize with your neighbors and meet new friends.

What a great way to start the summer off — ice cream, swimming, conversation and fun.

Neighborhood Involvement

Think back to when you first moved in to Valleyfield...

What kind of neighborhood were you looking for? Was it the kind where neighbors knew each other? A place where your kids played with the other kids in the neighborhood? How about where you not only knew most of your neighbors but where friends with them too? Or where the homes and yards were continually kept up? Or somewhere where social events for adults, families, kids were available? The list could go on forever.

I know when we moved in I hoped we had found most of these attributes and I am sure a number of people in Valleyfield who had similar thoughts. Your HOA Board of Directors would love to see Valleyfield become that kind of Neighborhood.

If everyone just did a small part, we could be a fantastic community! Keep your yards and homes looking nice, clean up after your pets when out walking, get out and meet your neighbors, attend social events within the community and most of all — even consider joining the Board or a Committee and help to make this a Neighborhood to be proud of.

Please Clean Up After Your Pets

The Board has received several complaints from residents in Valleyfield regarding excessive pet "deposits" left in their yards.

Pet waste that is left on sidewalks, roads, driveways, parks and yards can mix with rainfall and travel to storm drains and surface waters causing pollution and an increased risk of disease. It may be difficult to picture how one dog or cat depositing a small amount of animal waste here and there can result in potential water pollution, but studies have shown that the cumulative impact of waste from all the pets, livestock, and resident waterfowl within a watershed can have a significant impact on water quality and may also cause human health risks.

PLEASE RESPECT your neighbors and PLEASE pick up after your pets. When going for walks with your dog, bring along a plastic bag. Be kind to your neighbors and do not leave pet deposits in other homeowner's yards, including the strip of grass between the sidewalk and the street!

Upcoming Community Garage Sale

Have you done your Spring Cleaning and weeded out all those items you never use? If not, now is the time to turn your trash into treasure. Valleyfield's Community Garage Sale is tentatively set for Saturday, May 31 from 7 to 12. We'll stick with that date unless we get enough feedback wanting to move the date to June 7 or June 14. E-mail your board or drop

off a note at the pool regarding your preference by May 12. Anyone interested in participating should display your wares in your garage, on your driveway or on your lawn and place some balloons on your mailbox to attract shoppers. Watch for more info on the Valleyfield website.

Seeking 2 Additional Board Members

Your current Valleyfield Board of Directors has room for two additional members. Be an integral part of your neighborhood, stop by during the Ice Cream Social to speak to a current board member or send your info to board1@valleyfieldhoa.org.

We are also looking for committee members — contact the board or stop by the Ice Cream Social for more details.
